

FUTURE LEADERS CLASS OF 2022

LILIAN TSUI

QUALITY ASSURANCE OFFICER/ PHARMACIST
ADVANCE PHARMACEUTICAL CO, LTD.

Being a Registered Pharmacist in Hong Kong and the United Kingdom, Lilian Tsui has wide-ranging backgrounds in Industrial Pharmaceutical Manufacturing; Supply Chain, Logistic and Distribution; and Healthcare Policy and Regulations.

Lilian is currently working at Advance Pharmaceutical Company as Quality Assurance Pharmacist. Apart from supervision of routine medicine production, she is also responsible for overseeing GxP compliance within the plant. GxP stands for GMP (Good Manufacturing Practice), GLP (Good Laboratory Practice), GDP (Good Distribution Practice) and GEP (Good Engineering Practice). To comply with GxP, management and communication across different sectors within the plant is crucial. She also plays a key role in various exciting projects such as new drug development, premise design and renovation, contract manufacturing, product registration and validations.

Prior to joining Advance, Lilian worked for NHS at Baywood Chemist, a prestigious community pharmacy located at Notting Hill London, as registered pharmacist and as pre-registration trainee.

Lilian majored in scientific studies at Cranbrook School, a grammar school in the market town of Cranbrook, Kent, England; and has also earned a MPharm degree from King's College London, University of London.

In her leisure time, Lilian is an enthusiastic sailor who races across Victoria Harbour and islands. She is also one of the representatives of Hong Kong Royal Yacht Club and recently got featured in sports news promoting the activity of sailing to the citizens of Hong Kong.
